📋 PROFESSIONAL PROFILE

A motivated and detail-oriented Computer Engineering graduate from Bahir Dar Institute of Technology, Bahir Dar University, with strong theoretical foundations and practical experience in software development, networking, and problem-solving. Eager to apply technical expertise, contribute to innovative projects, and continuously grow as a technology professional.

🎓 EDUCATION

Bachelor of Science (B.Sc.) in
Computer Engineering
Bahir Dar Institute of Technology,
Bahir Dar University
GPA: 3.57/4.00
Expected Graduation: June 2026

🧠 TECHNICAL SKILLS

JavaScript
React
Node.js
Express.js
MongoDB
React Native
TypeScript
Git & GitHub
Cisco Packet Tracer
UI/UX Design
CapCut

🌐 LANGUAGES

Amharic: Native

English: Professional Working
Proficiency

📁 INTERNSHIP / INDUSTRIAL ATTACHMENT

Company: Development Bank of Ethiopia (DBE)

Duration: 3 Months

Responsibilities:

- Assisted in network troubleshooting and maintenance
- Supported IT operations and user technical issues
- Participated in network configuration tasks

🧩 SOFT SKILLS

- Teamwork
- Communication
- Problem Solving
- Critical Thinking
- Leadership
- Time Management
- Adaptability

🏆 CERTIFICATIONS & TRAININGS

- Employability and Job Readiness Training
- 5 Million Ethiopian Coders Program
- Discipline and Good Governance at BIT
- KTS/Knowledge Techno Store
- Safaricom Gebeya Talent Program

📁 PROJECTS

MEKARI – Intelligent Web-Based Counseling Platform, B.Sc. Final Year Project

Developed a full-stack (MERN + Python AI) web and mobile platform featuring an AI chatbot, real-time counseling, anonymous sessions, community forums, and appointment scheduling.

Design and Implementation of a Network Extension and Redundant Switching Solution for DBE to Minimize Downtime

Designed and implemented a fiber-optic network extension with redundant switching using EtherChannel and STP, eliminating single points of failure and ensuring high availability of banking services.

Heritage Book Management System

Built a web-based heritage book management platform featuring approval workflows, user-admin communication, and feedback management.

✍ LEADERSHIP & ACTIVITIES

- Member, Discipline and Good Governance Committee, Bahir Dar Institute of Technology (BIT),
- Volunteer Participant in University,
- Active Member of Student Clubs and Academic Events
